

Cunat Turkey Truck

Every year, Cunat employee's join together with the McHenry County F.I.S.H. organization to collect food during the Holiday season for the less fortunate. Cunat donates the use of their decorated truck and allows their employees to accomplish this wonderful mission during their regular work schedule.

During the month of November, the Turkey Truck will visit local schools in the McHenry area. The children and teachers of these schools gather non-perishable items to donate. The children enjoy coming out to see the Turkey Truck, turning in their donation, and saying hello to their Turkey, Pilgrim and Indian friends.

The Turkey Truck is something we hope to participate in for many years to come. All donations are delivered to the McHenry County F.I.S.H. pantry and distributed appropriately by the organization. The amount of food collected by everyone involved is phenomenal. Thank you so much to everyone for your efforts in this annual event.

If you would like to make a non-perishable donation, please contact the local McHenry County F.I.S.H. organization at 1-815-344-4717
